HISTORICAL MILESTONE!

Combined Service A Hopeful Start For Christian Unity In St. Albert

Don't Miss This Sunday's Service!

The Historical Point that St. Albert Priests and Ministers decided to have their first combined service, this Sunday at 8 p.m. in the basement of the St. Albert R.C. Church. Roman Catholics and Protestants in St. Albert & District are invited to attend this unique service, to show their belief in Christian Unity! The picture shows from L. to R. Father Lavanic, Father Lafrance, Rev. W.D. Jarvis and Rev. C.B. Hopkins.

St. Albert - Members of seven congregations will pray together for Christian unity at a combined service in the St. Albert Catholic Church Hall, Sunday, January 23, at 8 p.m.

Christian Churches throughout the world are now in the midst of a special week of prayer, known as the Church Unity Octave. It will continue until January 29th.

The St. Albert service will consist of several readings from the Old and New Testaments, prayers, hymns and a talk by Father John Sheridan of St. Joseph's Seminary.

Those taking part will be: Rev. L.J. Minto, United Church; Rev. James Joly, Baptist Church; Rev. R.R. Omishenko, Pentecostal Church; Rev. C. Dawkins, Anglican Church; Rev. E. Klamm, Lutheran Church and Rev. W.D. Jarvis, Presbyterian Church.

Mr. Dawkins will preside at the service.

The ministers and Oblate Fathers at the St. Albert Catholic Church are members of a local ministerial association. The prayer service is a direct result of their monthly meetings which have been taking place for more than a year.

The service is also an expression on the local level of the impetus given to the drive for Christian Unity by the World Council of Churches and the Second Vatican Council, which completed its final session in Rome in early December.

The St. Albert Ministerial Association considers common pastoral problems. It hopes in the near future to launch a Marriage Preparation Course for young people considering marriage and for newly married couples.

The Church Unity Octave had its start almost 60 years ago when Father Paul James Frantz, S.A., an Anglican Franciscan and the founder of the Society of the Atonement conceived a program.

Father Tibes Crumby, S.A., said, "Not everyone can be an expert on ecumenical matters. Not everyone can lead a dialogue or present a discussion. Not everyone can pray and love. Everyone can seek to express love for his neighbor; Catholic, Protestant, Jewish or the unbeliever."

anding, Town Engineer, Mr. A. R. Gale, Parks & Recreation Dept., Mr. J. X. Woodroffe, Edmonton Regional Planning Commission and Mrs. B. J. Williams, Recording Secretary.

Councillor Parkes moved that the minutes of the regular meeting of Council held on December 13th, 1965 and the Special meeting held on January 4th, 1966, be adopted as distributed.

PREPAYMENT OF TAXES AND DISCOUNTS RE.
BY-LAW NO. 1/66.

Mr. Wheeling advised Council that C.M.R.C. had been contacted regarding the possible pre-payment of taxes on a discount basis, but as they collect their payments on a monthly basis and the total taxes are not collected until year end, they would not consider pre-payment. Mayor Fowler stated that it was the intention of the Town to levy taxes at an earlier date in 1966, the first budget

meeting is scheduled for March 10th and the Mill Rate is to be struck by April 1st, 1966. Once taxes are levied and collected, there would not be any necessity to borrow as provided for by By-law No. 1/64. This report was presented for purposes of information only.

ZONING BY-LAW FOR BUILT-UP AREAS.

Councillor Bakker advised that the proposed Zoning By-law had been circulated to all Councillors and studied by the Public Works Committee. The Committee had recommended to Council that the By-law be adopted.

Councillor Bakker moved the first reading of By-law No. 3/66, being the Zoning and Building By-law of the Town.

Mr. Woodroffe explained the procedure to be followed with this By-law, including forwarding same to the Director Town and Rural Planning, publication and Notice of Pub-

Councillor Bakker moved that the Notice of Public Meeting, as prepared by the Edmonton Regional Planning Commission, be approved.

CARRIED.

LOCATION OF HOSPITAL SITE:

A report prepared by the Edmonton Regional Planning Commission, circulated to all Councillors, was considered. It was felt that the proper procedure would be to forward the report to the Hospital Board. Mayor Fowler advised that the Secretary-Treasurer should be authorized to work directly with the Board in this regard. The question of land acquisition costs was raised, together with the costs of providing services to the site. Discussion also took place on the possibility of relating a debenture to meet the costs to be borne by the Town.

Councillor Bakker moved that the report prepared by the Edmonton Regional Planning Commission be forwarded to the Hospital Board with our concurrence and that the Secretary-Treasurer be authorized to assist the Board in matters arising out of the report.

CARRIED.

APPOINTMENT OF DEPUTY MAYOR:

Mr. Wheatley advised Council that Councillor de Bruijn's appointment expired on January 18th, 1966, and requested that Council appoint a new Deputy Mayor for the next 3-month period. Councillor Wheatley asked what policy was followed in this appointment and was advised that no definite policy had been established by Council. Councillor Wheatley moved that Councillor Bakker be appointed Deputy Mayor for the next three months period.

CARRIED.

Councillor Wheatley moved that Deputy Mayors be rotated amongst the Councillors alphabetically for the two month periods.

CARRIED.

UNION NEGOTIATIONS

Mr. Wheatley advised that the Town had received a letter from the Union in the required time requesting certain changes in the Agreement and that the Town had also submitted proposed changes in the Union, in the required time.

Councillor Bakker moved that the staff be authorized to commence preliminary discussions with the Union which will then be taken to the Finance Committee for further negotiations.

CARRIED.

CAPITAL AND GENERAL FUNDS—NOVEMBER, 1965:

Council was advised that the payables had been checked by the Finance Committee and received its approval. Councillor Forbes moved that the Accounts Payable on the General Fund be the sum of \$48,998.32, and the Capital Fund be the sum of \$24,234.87, for the month of November, 1965, as approved by the Finance Committee, be paid.

CARRIED.

BY-LAW NO. 1/66 — TO AMEND BY-LAW NO. 1/64:

Council was advised that because the Banks had recently changed their interest rates, it would now be necessary to amend the borrowing By-law No. 1/64, accordingly. Councillor Bakker moved the first reading of By-law No. 1/66, being a By-law to amend By-law No. 1/64.

CARRIED.

MINISTER OF PUBLIC WORKS

Mr. Wheatley read a letter from the Hon. F. C. Colborne, Minister of Public Works, advising that the Government has decided not to proceed with the Skylon Restaurant in the City of Edmonton, as a Centennial Project, and thanking the Town for its interest in this matter.

ASSISTANT FOR TOWN ENGINEER:

Council was advised that this matter had been considered by the Finance Committee and that the Mayor had requested that it now be brought back directly to Council. Other Municipalities had been contacted and comparisons made with the number of personnel in their Engineering Departments. It was explained to Council that the appointment of an Assistant would relieve Mr. Maund from much of the detailed work he is presently having to do. It would also reduce the services required of our Consulting Engineers and enable us to do our own supervision of contract work.

Councillor Gibson moved that we advertise immediately for an Assistant for our Town Engineer. The selection to be left to the Staff and the Mayor.

CARRIED.

COURT OF REVISION:

Councillor Bakker moved that the Mayor and four Councillors present this evening form the Court of Revision.

CARRIED.

LACOMBE PARK SUBDIVISION:

Councillor Wheatley raised the question of costs of parks maintenance in the Lacombe Park Subdivision. Mayor Fowler advised that there is a study being carried out at the present time on this and that the original proposal on the subdivision had been brought before Council early in 1965 and a report had been prepared by the Planning Commission at that time. No further action had been taken until the Mayor was again approached regarding the proposal by the Company. It would be referred to the Public Works Committee for study and recommendations.

SNOW REMOVAL:

Councillor Wheatley advised that he had received an enquiry regarding the method of snow removal presently in use by the Town, with particular reference to the number of trucks being used with the front end loader. It was felt, apparently, that the use of only one truck to remove the snow was causing a considerable amount of waiting time for the loader. Mr. Wheatley advised that the Town is only clearing a limited number of streets at present. At this time, in the downtown area and those streets without boulevards. He agreed that it is more economical to use several trucks for this purpose, however, as soon as the new garbage packer is in operation, the problem would be solved for this purpose would be available for snow removal.

CENSUS TAKERS:

Mr. Wheatley asked if all the Census Takers were asking residents to complete the questionnaire regarding employment. Mr. Wheatley advised that the enumerator had all been instructed in this regard at a meeting held on January 7th, 1966, but that we would check into the reason why Mrs. Wheatley was not presented with this letter.

LAWSUITS:

Councillor Wheatley asked if, in the Mayor's opinion, there would be any benefit to be gained by Council having a further report in person from the Town's Solicitors, and if there would be any merit in Councillors familiarizing themselves with the lawsuits by studying the Discovery transcripts. The Mayor advised that the transcripts are available, although extremely lengthy. The translations are not over as yet and will continue next week. The Mayor felt that there would be very little to be gained from bringing the Solicitors back to Council as the Town's position has not changed. Councillor Wheatley also asked if Mr. Brownlee had received any dates for the Examination of R. Albert Development. Mr. Wheatley advised that he will ask Mr. Brownlee about this.

STORM SEWER EXTENSION:

Councillor Gibson asked that the Storm Extension be placed on the Agenda of the next Public Works Committee meeting as per resolution (3830) of the December 1st meeting.

STORAGE OF WRECKED VEHICLES:

Councillor Gibson also requested that Council receive a report on the above matter. Mr. Wheatley advised that these had to be advertised for 30 days, and that this time would expire on January 18th, 1966.

BALL AVENUE:

Councillor Gibson raised the question of ice on Ball Avenue before the Stop signs. He stated that it was very difficult to come to a stop at both ends of the Avenue and asked if this matter could be remedied. Mr. Wheatley advised that these areas were being matted but that we would try to get down to the bare pavement, and that a cleanup watch was being kept on this road.

MUNICIPAL COUNCILLORS HANDBOOK:

Mr. Wheatley informed Council that the Handbook ordered at its request had now been received. He felt that it dealt mainly with the situation in Ontario, however, it was available now for distribution to members of Council.

RECREATION COMPLEX LAND:

Mayor Fowler introduced a proposed land exchange agreement between the Town and the Separate School Board, to provide lands for the Recreational Complex. The Mayor explained that this was the second draft of the agreement, some changes having been made to the first draft which was received last week. The Mayor proceeded to read the agreement and discussion took place on it.

number of questions during the reading. It was explained to Council that was not an amended form of the agreement presented to Council late last year between Associated Investors and the School Board, which required certain conditions to be met by the Town, but one which would have to be entered into eventually with the School

Board for the land exchange, and which would merely ratify what Council had already agreed to in principle. Mayor Fowler advised that he would like the permission of Council for the staff and himself to take this agreement to the Town's Solicitors, following which it could be presented to Council for approval.

Councillor Baker moved that we refer this proposed Agreement to our Solicitors, for study.

CARRIED.

Councillor Baker moved that the meeting be adjourned at 10:00 P.M.

ST. ALBERT & DISTRICT CHAMBER OF COMMERCE

At the annual meeting for the election of officers and executive for 1966, the Chamber of Commerce decided to defer the election to a special meeting to be held on Tuesday, January 25th at the fire hall. The retiring President, Richard Wheatley, reported that Dick McGee was unable to take over the Presidential duties for 1966 because of the pressure of his business and because he felt new blood was needed in key Chamber positions.

Mr. Wheatley gave a report on the Chamber's activities during the year and reported that the Chamber had had a very successful year, highlighted by the following nine major accomplishments:

1. Co-ordination of the final drive for a hospital district and construction of a hospital district and construction of a hospital in St. Albert.
2. Submissions made to Town arising out of the Property Tax Study which made the Town Council more conscious of the necessity of balance development in St. Albert.
3. Submission to the Town Council re: Calgary Power rates.
4. Obtaining Highway signs.
5. Three election rallies.
6. Organization of St. Albert Sports Centre Committee.
7. Rodeo Parade float.
8. Christmas light-up contest and tree.
9. Organize small business management course.

The retiring President recommended to the Chamber that the new executive concentrate on the following matters during 1966: (1) Increase of effective participating members from 15 to 30 along with an increase in paid up memberships and Chamber finances. (2) Obtain a permanent part time paid secretary. (3) Consider a change of time and format for General Meetings. (4) Work towards ways and means of changing the shopping habits of Town residents to strengthen the commercial element in St. Albert. One way of doing this would be to attract a major department store to St. Albert. (5) Increase the rural membership and trade in St. Albert. (6) Promote a commercial industrial survey of the Town by an industrial consultant. (7) Organize a community development committee, along the lines suggested in the Calgary Power literature. (8) Investigate and support urban redevelopment in the downtown business area which would result in a geographical merging of the two shopping and business areas. (9) Work for a Provincial highway linking Highway #2 and Highway #28 between St. Albert and Pampa, thus providing an access road to Provincial Government expense to the Town industrial area on the East part of Town. (10) Encourage the Town Council to settle as soon as possible the law suits and the Calgary Power franchise. (11) Continue to make representations to the Town Council and the Provincial Government on matters of concern to St. Albert. (12) Get more interesting and qualified speakers to attend Chamber meetings and increase the publicity given by all news media to the Chamber's activities. Mr. McGee thanked Mr. Wheatley for his effective leadership of the Chamber during the past year and said he hoped that a new executive would be obtained which would continue to make the Chamber a leading organization in the Town.

From Our Readers

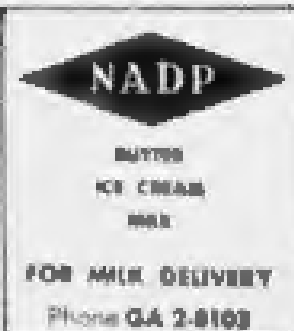

Knowing that you are an ardent booster for a "Swimming Pool for St. Albert", I wish to bring certain facts to your attention and, through your paper, to the general public.

As you are aware the Y.M.C.A. St. Albert branch has been sponsoring swimming for the St. Albert children now for the third year this year. At the last registration only 40 children registered, since it costs \$12.00 for the bus and \$10.00 per hour for the use of the swimming pool, such a small registration becomes uneconomical considering that a bus can transport 70 children to the pool and accommodate up to 140 children in one session. As it is, the Y.M.C.A. has to subsidize each participant by about \$4.00 for a course of 12 lessons.

In order to make it feasible to continue providing these swimming facilities to St. Albert children, we have to have an increase in participation. We have committed and volunteer instructors who are willing to donate their services to make this program possible. It would be unfortunate if we found it necessary to discontinue this service due to lack of interest, and what effort would each lack of interest have on our "Town Father's" their decision as to actual need for a "Swimming Pool for St. Albert"? It is said that "A Word to the Wise is sufficient." So be it!

Please note that there is an extension of Registration time for swimming. Further registration will take place at St. Joseph Junior High School, Wednesday Jan. 26, from 7:00 p.m. to 9:00 p.m. Also, for the next two days registration may be effected by phoning Mrs. L. F. [Name] at 599-8445.

St. Albert Parks Planning Workshop First In Canada!

ON INITIATIVE OF THE ST. ALBERT PARKS SUPER-

intendent Mr. Andre Gales, a Parks planning Workshop was held in St. Albert, last Saturday.

The workshop was operated by the St. Albert Parks and Recreation Department.

The prime purpose of the Workshop was to review the Town's past and present parks planning policies and to study future requirements in this regard. It is expected that the results of this study will provide information which the Town will use in taking a new look at its parkland for the future, and also allow development of a master parks plan, which if carefully prepared and followed, will eliminate many parks problems which develop through inadequate planning and insufficient provisions of parkland reserves.

Top officials from the Provincial Government Parks Cultural and Planning Branch, City of Edmonton Parks and Recreation Department, The Edmonton Regional Planning Commission, The Faculty of Agriculture and Physical Education, University of Alberta, private Plan-

ning Consultants, Legal Consultants and various staff members of the Town of St. Albert, attended this Workshop.

It was mentioned that this was perhaps the first time in Alberta or even Canada that such a cross-section of people have ever been organized into one group to study the problem which had been presented.

The following objectives were discussed:

- (a) The best possible future development of the Parks reserves within the Town limits.
- (b) To achieve acceptance by a Municipal Government of certain fundamental principles of Town Planning for recreation areas.
- (c) To affiliate planning groups to use their imagination.
- (d) To establish a guide which will lead to proposed total Parks Plan.
- (e) To produce the right climate for acceptance in St. Albert of future plans for recreation areas.

Mr. Gales and his Department and the Town of St. Albert have to be complimented for this progressive endeavour.

C.W.L. - Executive Meeting, Thurs. Jan. 20, at 8 p.m. at the home of Mrs. M. Vengolis, 17 Madonna Drive. A large number of ladies attended the Late Supper Party on Jan. 18. Details of the party are reported elsewhere in this issue.

SQUINKETTES - Mrs. R. Labarre has replaced Mrs. C. Gallant as Chief Concocter.

SQUIRRELS - The boys were unable to complete the paper collection last Saturday but the collecting will continue as soon and as quickly as possible. Please save your papers.

STAR OF THE NORTH - Ladies from St. Albert, Fort Saskatchewan and Sherbrooke filled the house to capacity for the weekend retreat. The requests for reservations exceeded the available accommodation and some of the captives generously relinquished their reservations to accommodate others. A great number of the ladies were making their first closed retreat. To succeed in gathering the maximum quota is most gratifying and encouraging to all concerned with the retreat movement. This is only surpassed by the assurance that the retreatants left spiritually refreshed and convinced they had been guided on their way to being better Christians. From all reports this appears to be the obvious result. Glazed from casual remarks, various impressions were made in the retreatants. "Father Morin seemed so at home, speaking as though he were giving advice over a cup of coffee at your kitchen table." "Dear, 85 yr. old Father LaFrance, it is like being with someone who is very close to heaven." "Father Goldstein made you want to quit messing around and get down to the business of being a better person." There were no indications from anyone encountered that she regretted spending the weekend at the Star of the North.

A new series of Workshops is underway. Father J. Jodi, Retreat Promoter, is attempting to conduct workshops in the areas for which retreats are scheduled before recruiting in that area starts. Rev. F. Thibault O.M.I., is contributing to health and will probably be in his way to Rome soon.

THURVILLE HOME - The nice weather last Sunday and probably the wish to view the new residence, resulted in an influx of visitors. They were truly impressed and full of praise. All departments are working efficiently and apparently all employees and residents are enjoying the added advantages and comforts. The beginning of the demolition of the Old Building is, understandably, being watched with a certain amount of nostalgia, especially by those who have been around it for many years. It has been an enduring landmark.

CHERCHEZ

L4 FEMME By Florence Lafabre
Pages 100-102

THANK YOU for a wonderful display of CHRISTMAS-TIME. Many citizens of St. Albert and visitors were once again treated to a generously decorated St. Albert for the festive season. Other towns and cities may have their celebrations and spectacles but we think St. Albert deserves to be proud of the ingenuity of its residents.

The sparkling displays, at windows, roofs, on trees and back, cheered the hearts of many a tired driver and passerby. Frustrated at failures or disappointed by setbacks or just weary from long hours of work or shopping, many broadly smiled thoughtful spectators by recognizing that Christmas was just around the corner.

Special consideration goes to those who braved the cold and decreased visibility in their yards, taking hours to decorate the exterior. Others kept their homes bright and warm, and went about with making others' holidays, expressing a most "Merry Christmas" and "Happy New Year".

Thank you one and all.

Raise your coffee cups and thank the Voluntary committee, individuals and everyone who made it possible for "Cherchez la Femme". Their call and letter is gratefully received.

Please write in, and express your opinion of this column and tell us if we need particular help. Whichever of all suggestions, criticisms, will be appreciated, then put it off, send it to me! The deadline is MONDAY of every week.

RECOGNITION AND AWARD NIGHT

Organized jointly by the Recreation Board of the Town of St. Albert and the St. Albert Council of the Knights of Columbus, it is hoped that this award night will become an annual event when the citizens of St. Albert may give public recognition to their members of the town who have contributed most to recreation and to other fields of endeavor.

As indicated previously, St. Albert Council, in addition to arranging for trophies, is providing an award to be presented in the upcoming edition of St. Albert. The Recreation Board will make selections of all guest recipients. The only exception to this will be if one of the service clubs wish to use this occasion to present an award to one of their own members.

Banquet tickets will go on sale January 28th and all sales should be completed by January 30th so that the requisite number of plates may be ordered. Tickets for the first four plates will sell for \$2.50 each for adults and \$1.00 for children under twelve.

The number of persons who can be accommodated is limited, so anyone planning to attend should purchase his banquet tickets well in advance. ST. ALBERT LIONS

"FROLIC WITH FRANKIE"

February 10th is the night to howl!!!!

The **Lady Lions** are putting on the show, fellows. Latest word from the girls is that arrangements are very nearly completed for the next "Men's Night". For those not in the know, the Lady Lions are throwing a "Sweetheart Ball" for the Lions and friends on Friday Night, February 10th at the Mocambo. Plans include 4:30 p.m. to 1:30 a.m. entertainment with a "Swingmaster" type of feed later in the evening. I understand they are looking up some type of entertainment for us to mark the date mentioned and plan to attend.

MID-WINTER CONFERENCE

Red Deer is to be the site of the Mid-Winter Conference on January 14th and 15th. Lions Bill Wether and Roy Gilley are going to represent the St. Albert Club and will probably be backed up by our faithful convention attendee, Neil Ross and Gerry Latham.

VISITATIONS
The St. Albert Club is making a scheduled visit to the East Edmonton Club March 14th. This visit will be to one of our regular meetings on March 15th. Plans call for assembly at the Mocambo at 8:15 p.m. so that we may get together and go together to cars rather than each taking his own car. East Edmonton Club meets at 7:00 p.m. in the Beverly Crest Hotel on March 14th so let's close them that we do have a club. I'm sure it will prove to be an enjoyable evening. Come again 8:15 p.m. at the Mocambo, Monday March 14th. You may have the 10th off **OUR SYMPATHY**

We are sorry to hear of the death of Linda John Debraugh's father on December 28th.

BIRTH AND DEATHS

There must be something down in Montreal, fellows. First we had Lion Yvon making a pilgrimage during the month of December. We can understand that, but now we have Lion Jimmy Byrne (Irish of course) going to Montreal, he left yesterday.

What's this we hear about Lion Peter taking over the local salary from Lion Jimmy Wong. Some people will go to any extent to get goods wholesale, eh? Good luck to you Peter, hope it goes well.

Our President Lion George is off to Chicago on a training course for the next two or three weeks. He has promised to drop in on International R.C. and tell them we exist.

What is a "Postiche". I understand the Lady Lions are raffling off some an article and from all reports, it is to be given away to the lucky ticket holder on Feb. 10th. Have you got your ticket? I'll buy one just to find out what it is. If you don't that it resembles one of those things you stick on a letter. And to be a liars tale.

Lion John Debraugh is threatening to form a singing group within our club. He heard us singing at our last meeting and I guess it hurt.

WORKSHOP

A highly successful Vocational Workshop was held at St. Joseph's Seminary on Sunday, January 23rd, despite very poor attendance from the public generally and the Knights of Columbus specifically.

The beautiful Sunday afternoon brought less than 40 laymen out, but the number of seminarians and nuns who attended the proceedings more than doubled this number.

The afternoon got under way a little later than expected pending the arrival of some latecomers. The panel discussion and group discussion session was very well received as was also the musical entertainment provided by the seminarians. During the afternoon coffee was served, and at another point representatives of the Edmonton Separate Local of the Alberta Teachers' Association presented trophies to two worthy seminarians who are in need of financial assistance. After Mr. Allen's talk on the vocation of laymen the afternoon closed with a Bible Service in the chapel. The Bible Service in which everyone took part had "God's call" as its theme. The Vocational Workshop was organized by St. Albert Council of the Knights of Columbus for the Education Chapter.

The curling season is fast approaching the salt way point and all leagues are in full swing.

Preparations are under way at the present for the St. Albert Open Men's Bonspiel which expects to be the largest Bonspiel ever held in our town. The Curling Club set as its objective a 64 club Bonspiel and entries as of this date have reached 54 with a waiting list of 10 clubs. THE RIGHT NUMBER Yid Lambert of Thompson, Man, wanted to visit girlfriend Leonor Aguiere during the holidays in Washington, D.C., but he lost her address. He did remember that she lived at 155 "Something" street and so he went on a street-by-street search in a cab. It cost him \$40 to finally find her at 155 Y street, but the couple had a happy reunion, renewing a friendship made in Mexico City last year.

STILL ALIVE? According to Klaus Eichmann, son of Nazi hangman Adolph Eichmann, Martin Bormann is still alive. Klaus has said that his father told him that Bormann, Hitler's right hand man shown above, escaped the collapse of the Third Reich, and is still living. West German prosecutors have placed a \$25,000 price on Bormann's head.

THE TRAGIC AFTERMATH Just nine hours after signing a historic peace pact with Pakistan's President Ayub Khan in Tashkent, USSR, Indian Prime Minister Lal Bahadur Shastri died of a heart attack. Assisting others in carrying his coffin to a plane bound for Delhi is Soviet Premier Alexei Kossygin, left, and Pakistan President Ayub. The treaty signed by Shastri was to end 18 years of bitterness between India and Pakistan, over Kashmir, but many observers predict the agreement could now collapse.
